

JOB DESCRIPTION

Director of Music

Employment Status: 36-40 hours/week

Reports to: Pastor of Worship Arts

Benefits: per Employee Handbook

Job Summary

The Director of Music is responsible for helping create a culture of worship at Salem Church of God. Reporting to and working closely with the Worship Pastor, this role involves leading worship services, coordinating musicians, helping to recruit new team members, maintaining and growing musical excellence at the church, discipling team members and the congregation in both music and Jesus Christ, and ensuring that the worship experience aligns with the church's vision and values. Additionally, the Director of Music will assist the Worship Pastor in other day-to-day service element implementation for weekend services, worship nights, and special services.

Expectations

- Staff is expected to maintain a growing relationship with Jesus that sets an example for those we serve and aligns with the teachings and beliefs of Salem Church.
- As members of the church body, employees may choose to volunteer in capacities that are not part of their job description.

Leadership Responsibilities

Worship Planning & Execution
